## **Goals for Challenge Spelling:**

- 1. Improving spelling**
- 2. Improving study skills**
- 3. Improving vocabulary**
- 4. Improving word choice for writing**

Words that have an asterisk \* by them are words that I believe most 4<sup>th</sup> graders would not know the meaning/definition. If you find that other words in the lists are also unknown to your child please let me know.

Words 1-5 or (6) are assigned challenge words from adopted spelling materials. Words 6-10 are challenged words found in the reading story for that week.

Please let me know if the words are too easy or difficult. I may also want to change these lists to include content area words from the science and social studies series.

Some words will be found on duplicate lists as I felt it would be important to review and check for mastery. Many vocabulary words are repeated in stories throughout this reading series.
